Dear Ms Magdalena Lorynska

I refer to your letter of 09 September regarding EEC/EEA licence holders supervising GB learner drivers.

I can confirm that Full Polish driving licence holders may act as supervisors to GB learner drivers provided they adhere to the following criteria:

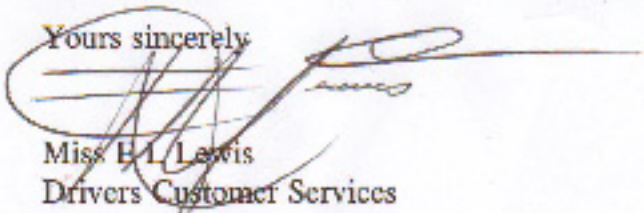

- 1) Must be at least 21 years of age
- 2) Must hold a Full and current Polish driving licence.
- 3) Must have held a Full and current Polish licence for a minimum of 3 years

Please note that the above criteria applies only if supervising ordinary categories of vehicle.

I enclose our information leaflet **INS57P** that details the above criteria and also the criteria and contact information for queries concerning supervising a learner in a larger category of vehicle (i.e. a lorry or bus).

I trust I have clarified the position for you.

Yours sincerely

Miss H.L. Lewis
