Thank you for your email.

Learners must be supervised by a qualified driver holding a GB or EC/EEA licence who must:-

- a) be at least 21 years old
- b) hold a full valid licence in the appropriate category and
- c) have held that licence for three or more years.

I hope this helps.

Subject: question

Good Morning

I am the publisher of the Polish version of the theory tests for all categories in the UK and the Highway Code. I am writing the introduction for the new theory test for car drivers, where there will be the basic guide about the procedures for obtaining a GB driving licence. I would be grateful if you clarify one point for me, please:

The learner driver can be supervised by anybody, who is at least 21 years old and hold a driving licence for at least 3 years. Can it be an EU licence?

Kind regards

You can drive with a provisional licence if you are supervised by a person over 21 who has held a FULL licence (INCLUDING an EU licence) for 3 years. The person who is supervising does not have to be insured - only the driver needs insurance.

I do not know why the Police took your car.

Please see the following

The Motor Vehicles (Driving Licences) Regulations 1999 regulate the requirements for driving licences and the structure of driver training. Regulations 4-21 relate to licences. Regulation 17 defines the term 'qualified driver'.

17(1) Subject to paragraph (2), a person is a qualified driver for the purposes of regulation 16 if he-

- (a) is 21 years of age or over,
- (b) holds a relevant licence,
- (c) has the relevant driving experience, and
- (d) in the case of a disabled driver, he is supervising a provisional licence holder who is driving a vehicle of a class included in categories B, C, D, C+E, or D+E and would in an emergency be able to take control of the steering and braking functions of the vehicle in which he is a passenger.

17(2) When a person who is a member of the armed forces of the Crown is acting in the course of his duties for naval, military or air force purposes paragraphs (1)(a) and (1)(c) do not apply.

17(3) For the purposes of this regulation-

(a) disabled driver means

a person who holds a relevant licence which is limited by virtue of a declaration made with his application for it or a notice served under section 92(5)(b) of the Road Traffic Act 1988 to vehicles of a particular class;

(b) full licence

includes a full Northern Ireland licence and a Community licence;

(c) relevant licence

means, subject to sub-paragraph (d), a full licence authorising-

- (i) the driving of vehicles of the same class as the vehicle being driven by the provisional licence holder, and
- (ii) where sub-paragraph (f) applies-

(aa) where that class of vehicle is included within any sub-category specified in column 1 of the table at the end of this regulation, the driving of vehicles in the sub-category specified in column 2 which is opposite that sub-category, or

(bb) where sub-paragraph (aa) does not apply, the driving of vehicles in the category specified in column 2 of that table which is opposite the category specified in column 1 that includes the class of vehicle being driven by the provisional licence holder;

(d) in the case of a disabled driver who holds a licence authorising the driving of vehicles in category B, a relevant licence must authorise the driving of vehicles other than vehicles in sub-category B1 or B1 (invalid carriages);

(e) a person has relevant driving experience if-

(i) where sub-paragraph (c)(i) only applies, he has held the relevant licence for a period of 3 years, or

(ii) where sub-paragraph (c)(ii) applies, he has held the relevant licence authorising the driving of vehicles-

(aa) of the same class as the vehicle being driven by the provisional licence holder for a minimum period of 1 year, and

(bb) in the category or sub-category specified in column 2 described in sub-paragraph (c)(ii) for a minimum period of 3 years;

(f) this sub-paragraph applies where-

(i) a person holds a full licence authorising the driving of vehicles of the same class as the vehicle being driven by the provisional licence holder;

(ii) that class is included in a category or sub-category specified in column 1 of the table at the end of this regulation, and

(iii) that person has held that licence for less than a minimum period of 3 years;

(g) for the purposes of sub-paragraphs (e) and (f), the minimum period of time for holding a full licence may be met either by holding that licence continuously for that period or for periods amounting in aggregate to not less than that period.
